

# why tempt?

**OUR VISION IS SIMPLE:** We believe a simple seed with so much power can change the world.

**TASTE HEMPTATION:** Taste the goodness of hemp. Tempt packs more ahhhh per ounce than any other Hempmilk on the market. Just ask our fans – Tempt is the best tasting Hempmilk around.

## WE ARE NATURAL FOODS CHAMPIONS.

We are the global leader in hemp foods and were the first to bring Hempmilk to market. We lead. We innovate. We pioneer delicious foods made from hemp seed for the health and wellbeing of people and planet.

**JOIN THE EVOLUTION.** Until now hemp has been largely misunderstood. An agricultural crop, hemp is a plant-based superfood. We look to dispel false myths and demystify hemp. Join the evolution in the way we nourish ourselves and make that change.

## HEALTHY PLANET, HAPPY YOU.

We believe this simple seed with so much power can change everything. It can bring people and planet together as one. It can help bring our environment back into balance. It makes people strong, healthy and more resilient. It can inspire joy and happiness.
